Dear Friends, Alumni, & Community Members,

On October 8, 2010, the Caltech Y will host its third Annual Golf Tournament and Auction to fund its volunteer service, leadership and advocacy programs. With support from friends, community members and business leaders, like yourself, this annual event at Brookside Golf Course will help raise needed funds for an organization that has served the Pasadena and Caltech communities for over 90 years.

Come join us on the Golf Course and/or for the Dinner and Auction following. We will have great prizes for the golfers and amazing auction items for everyone to bid on throughout the evening. This outpouring of support from the community will benefit the programs that have come to represent the Caltech Y's commitment to Pasadena and Caltech. Students grow and become responsible citizens through programs like Make-A-Difference Day, Alternative Spring Break, and the RISE tutoring program to help Pasadena Unified School District students in math and science. Help us continue these great traditions.

We look forward to seeing you join Caltech staff, faculty, and alumni, as well as many local community members, on October 8th, 2010. This is a great networking opportunity for recent graduates, entrepreneurs and golf enthusiasts. Come mingle and get connected with the Caltech Y, making a world of difference since 1916.

Thank you,
